Misc. Action No.

**NOTICE OF CERTIFICATION THAT RESPONDENT  
IS A SEXUALLY DANGEROUS PERSON AND  
REQUEST FOR HEARING PURSUANT TO 18 U.S.C. § 4248(a)**

The United States of America, by its attorney, Michael J. Sullivan, United States Attorney for the District of Massachusetts, hereby provides notice to this Court that the defendant, Jack W. McRae, Reg. No. 08199-007, has been certified to be a “sexually dangerous person” pursuant to section 302(4) of the Adam Walsh Child Protection and Safety Act, Pub. L. No. 109-248, Title III, § 302(4), 120 Stat. 620 (July 27, 2006), codified at 18 U.S.C. § 4248(a), and moves this Honorable Court for a hearing to determine whether defendant Jack W. McRae is a “sexually dangerous person” subject to civil commitment for treatment in an appropriate facility pursuant to 18 U.S.C. § 4248. In further support thereof, the United States says as follows:

1. Section 302(4) of the Adam Walsh Child Protection and Safety Act provides, as relevant here:

In relation to a person who is in custody of the Bureau of Prisons \* \* \* any individual authorized by the Attorney General or the Director of the Bureau of Prisons may certify that the person is a sexually dangerous person, and transmit the certificate to the clerk of the court for the district in which the person is confined. The clerk shall

send a copy of the certificate to the person, and to the attorney for the Government.  
\* \* \* The court shall order a hearing [to be conducted pursuant to the provisions of section 4247(d)] to determine whether the person is a sexually dangerous person. A certificate filed under this subsection shall stay the release of the person pending completion of procedures contained in this section.

18 U.S.C. § 4248(a). The term “sexually dangerous person” is defined in 18 U.S.C. § 4247(a)(5) to mean “a person who has engaged or attempted to engage in sexually violent conduct or child molestation and who is sexually dangerous to others.” The term “sexually dangerous to others” is defined in 18 U.S.C. § 4247(a)(6) to mean, with respect to a person, “that the person suffers from a serious mental illness, abnormality, or disorder as a result of which he would have serious difficulty in refraining from sexually violent conduct or child molestation if released.”

2. Attached hereto as Exhibit 1 is a “Certification of a Sexually Dangerous Person” executed by William T. Bickart, Interim Chairperson of the Bureau of Prisons’ Certification Review Panel. Attached hereto as Exhibit 2 is a copy of a memorandum from Harley G. Lappin, Director of the Bureau of Prisons, delegating to, among others, William T. Bickart, Interim Chairperson of the Bureau of Prisons’ Certification Review Panel, the authority to certify offenders as sexually dangerous persons pursuant to 18 U.S.C. § 4248(a). These documents establish that (1) the respondent, Jack W. McRae, is presently in Bureau custody at the Federal Medical Center, Devens, Massachusetts; and (2) that an individual, William T. Bickart, who has received the required delegation of authority from the Director of the Bureau of Prisons, has certified that respondent Jack W. McRae is a “sexually dangerous person” as defined by 18 U.S.C. § 4247(a)(5) and “sexually dangerous to others” as defined by 18 U.S.C. § 4247(a)(6).

WHEREFORE, the United States of America hereby requests that this Honorable Court set a time and date to conduct a hearing required by 18 U.S.C. § 4248(a) to determine whether

respondent is a sexually dangerous person subject to commitment to the custody of the Attorney General for treatment in a suitable facility in accordance with 18 U.S.C. § 4248(d). Pursuant to 18 U.S.C. § 4248(a), as the result of the filing of the certification attached to this petition as Exhibit 1, respondent Jack W. McRay will remain in custody pending completion of the procedures set forth in 18 U.S.C. § 4248.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney

**CERTIFICATION OF A SEXUALLY DANGEROUS PERSON**

(1) I, William T. Bickart, am Interim Chairperson of the Federal Bureau of Prisons (Bureau) Certification Review Panel, Washington, D.C. Pursuant to 28 C.F.R. § 0.97, the Director of the Bureau has delegated to me the authority to certify persons in Bureau custody as sexually dangerous, as authorized by 18 U.S.C. § 4248(a).

(2) Bureau records reflect the following: Inmate Jack W. McRae, Register Number 08199-007, is in Bureau custody at the Federal Medical Center in Ayer (Devens), Massachusetts, serving a violation of parole term of imprisonment for a District of Columbia conviction for Rape While Armed in violation of D.C. Code § 22-4801 (formerly D.C. Code § 22-2801) (Docket No. F-7530-82) (District of Columbia Superior Court). The offense conduct in the original case involved inmate McRae forcing a female victim to perform oral and vaginal sexual intercourse with him by threatening her with a knife. Inmate McRae's projected release date is March 22, 2007.

(3) Based on a review of inmate McRae's Bureau records, I certify he is a sexually dangerous person as defined by 18 U.S.C. § 4247(a)(5), and sexually dangerous to others as defined by 18 U.S.C. § 4247(a)(6). My certification is based on information found in Bureau records which includes, but is not limited to, the following:

(A) Inmate McRae previously engaged or attempted to engage in the sexually violent conduct or child molestation as evidenced by his offense conduct and

prior conviction for Carnal Knowledge, Assault with a Deadly Weapon (screwdriver), and Assault with Intent to Rape and sentence to a term of four to twelve years in 1972 (District of Columbia Superior Court). The offense conduct in that case involved inmate McRae forcibly entering a residence and sexually assaulting an 11-year-old girl female.

(B) A limited psychological review of inmate McRae indicated, among other diagnoses, an Axis II diagnosis of Antisocial Personality Disorder.

(C) An initial assessment of inmate McRae using two actuarial risk assessment instruments (Static-99 and Rapid Risk Assessment for Sexual Offense Recidivism (RRASOR)) was conducted. These results, in addition to inmate McRae's history of poor sexual self-regulation, no history of sex offender treatment, history of offending while on supervised release, and alcohol dependence, indicate he will have serious difficulty refraining from sexually violent conduct or child molestation if released.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
